Please turn in bingo boards by Friday, August 7th at the latest to collect your prizes!

DID YOU KNOW?

“Research has found that young children whose parents read to them daily have been exposed to at least 290,000 more words by the time they enter kindergarten than kids who aren’t read to regularly. Depending on how much daily reading time kids get, that number can go up to over a million words.”

(Child Mind Institute, 2023)
