

# Dolores Public Library Finance Committee

## August 6, 2024 Meeting

Chair Sandra Jumper called the meeting to order at 12:00 pm. Also present were: Correen Becher, Tamara Woodbury, Trustees; Sean Gantt, Director.

### Agenda

We reviewed the Quarterly Financial Statements for the ColoTrust and Onward! Accounts and decided to recommend that no changes to our investments be made at the next Library Board Meeting. We also discussed the future of the Dolores Foundation Fund and fundraising more generally and the need to get more clarity on the Onward! Financial statements. Sean will follow up to set a meeting between the Finance Committee and the Onward! Staff to ask questions regarding these statements.
